

TruVision NVR 71 FW1.2 Release Notes

P/N 1073702-EN • REV A • ISS 18OCT19

Introduction

This is the TruVision NVR 71 FW1.2 Release Notes document with additional information not covered in the user manual. For the latest information on the TVN 71, please visit:

Americas: www.interlogix.com/videoupgrades

EMEA: fireandsecurityproducts.com

Australia: www.interlogix.com.au

Overview

The TVN 71 series is a Network Video Recorder with an incoming bandwidth of 576 Mbps and capable of connecting up to a maximum of 128 cameras. The recorder is available in a RAID and non-RAID configuration.

Enhancements

- This firmware provides support for the new 4 TB, 6 TB and 8 TB Western Digital Ultra Star RAID hard drives (TVN-HDDR-4TB-2, TVN-HDDR-6TB-2 and TVN-HDDR-8TB-1) for RAID TVN 71 recorders (TVN-7101R-XX models).
- Support for temperature exception and fire detection events for TruVision thermal cameras.
- An informative text was added to inform users on setting up the Advanced Motion Detection function in the cameras
- Thumbnail function: this function, available in TruVision Navigator since 8.0SP2, is supported by the TVN 71. It enables a quicker search for recorded incidents.

- Support for two extra SIA/XSIA codes for zone events for the intrusion panel reporting. The extra codes that are supported are:
 - BV: intrusion alarm verified
 - HV: hold-up verified
- When these codes are reported by the panel to the recorder for a zone, they will also trigger the actions that are setup for this zone.
- Support for ANPR cameras
- Support for 802.1x authentication (EAP-PEAP and EAP-TLS)
- Supports the possibility to assign a name to a custom RTSP stream
- Support for the new 360° cameras (6 and 12 MPx resolution)
- Support for the new TVE encoder series
- An updated digital signature is added for the ActiveX web plugin

Bug fix

- Resolves an issue with playback when a user selects a time/date for which no recorded video exists

Contacting support

For help installing, operating, maintaining, and troubleshooting this product, refer to this document and any other documentation provided. If you still have questions, contact us during business hours (Monday through Friday, excluding holidays).

Note: Please be ready at the equipment before calling.
